Plaintiff,

YRC WORLDWIDE INC., *et al.*,

**NOTICE OF (I) PENDENCY OF CLASS ACTION AND PROPOSED
SETTLEMENT; (II) SETTLEMENT FAIRNESS HEARING; AND
(III) MOTION FOR ATTORNEYS' FEES AND LITIGATION EXPENSES**

A Federal Court authorized this Notice. This is not a solicitation from a lawyer.

This Notice is about the proposed settlement of a securities class action against YRC Worldwide Inc. You might be a member of the class in that lawsuit, and you might be eligible to receive money under the proposed settlement.

NOTICE OF PENDENCY OF CLASS ACTION: Your rights may be affected by the above-captioned securities class action (the “Action”) pending in the United States District Court for the Northern District of New York (the “Court”) if you purchased or otherwise acquired publicly traded securities of YRC Worldwide Inc. (“YRC” or the “Company”) during the period from March 10, 2014, through December 14, 2018, inclusive (the “Class Period”), and were damaged thereby.^{1,2}

NOTICE OF SETTLEMENT: Please also be advised that the Court-appointed Lead Plaintiffs, City of Warwick Retirement Fund and Peter Szabo (“Lead Plaintiffs”), on behalf of themselves and the Class (as defined in ¶ 21 below), have reached a proposed settlement of the Action for \$2,100,000 in cash.

PLEASE READ THIS NOTICE CAREFULLY. This Notice explains important rights you may have, including the possible receipt of a payment from the Settlement. If you are a member of the Class, your legal rights will be affected whether or not you act.

If you have any questions about this Notice, the proposed Settlement, or your eligibility to participate in the Settlement, please DO NOT contact the Court, YRC, the other Defendants in the Action, or their counsel. All questions should be directed to Lead Counsel or the Claims Administrator (see ¶ 84 below).

1. **Description of the Action and the Class:** This Notice relates to a proposed settlement of claims in a pending securities class action brought by investors alleging that YRC and certain YRC executives (collectively, “Defendants”) violated the federal securities laws by making false and misleading statements concerning YRC’s business. A more detailed description of the Action is set forth in ¶¶ 11-20 below. The proposed Settlement, if approved by the Court, will settle claims of the Class, as defined in ¶ 21 below.

2. **Statement of the Class’s Recovery:** Subject to Court approval, Lead Plaintiffs, on behalf of themselves and the Class, have agreed to settle the Action in exchange for \$2,100,000 in cash (the “Settlement Amount”) to be deposited into an escrow account. The Net Settlement Amount (*i.e.*, the Settlement Amount plus any and all interest earned thereon (the “Settlement Fund”) less (i) any Tax Expenses; (ii) any Notice and Administration Expenses; and (iii) any attorneys’ fees

¹ All capitalized terms that are not otherwise defined in this Notice shall have the meanings ascribed to them in the Settlement Agreement dated April 12, 2021. The Settlement Agreement is available at www.YRCSecuritiesSettlement.com.

² Herein, “YRC Securities” refers to the publicly traded securities of YRC. During the Class Period, YRC common stock was listed on the NASDAQ Global Select Market under the ticker symbol “YRCW.” After the Class Period, in February 2021, YRC changed its name to Yellow Corporation, and its common stock commenced trading under the new symbol “YELL.”

and expenses awarded by the Court, including any award for the costs and expenses of Lead Plaintiffs) will be distributed in accordance with a Plan of Allocation that the Court approves. The proposed Plan of Allocation is set forth in ¶¶ 48-68 below. The Plan of Allocation will determine how the Net Settlement Amount will be distributed to members of the Class.

3. **Estimate of Average Amount of Recovery Per Share:** Based on Lead Plaintiffs' damages expert's estimate of the number of shares of YRC Securities that were purchased during the Class Period and that may have been affected by the conduct at issue in the Action, and assuming that all Class Members elect to participate in the Settlement, the estimated average recovery (before the deduction of any Court-approved fees, expenses, and costs as described herein) is \$0.07 per affected share. That average recovery, however, is only an estimate. Some Class Members may recover more or less than the estimated amount depending on, among other factors, when and at what prices they purchased or sold their shares, and the total number and value of valid Claim Forms submitted. Distributions to Class Members will be made based on the Plan of Allocation set forth herein (*see* ¶¶ 48-68 below) or such other Plan of Allocation as may be ordered by the Court.

4. **Average Amount of Damages Per Share:** Lead Plaintiffs and Defendants (the "Parties") do not agree on the average amount of damages per share of YRC Securities that would be recoverable if Lead Plaintiffs were to prevail in the Action. Among other things, Defendants do not agree with the assertion that they violated the federal securities laws or that any Class Members suffered any damages as a result of Defendants' alleged conduct.

5. **Attorneys' Fees and Expenses Sought:** Plaintiffs' Counsel, which have been prosecuting the Action on a wholly contingent basis, have not received any payment of attorneys' fees for their representation of the Class and have advanced the funds to pay expenses necessarily incurred to prosecute this Action.³ Lead Counsel will apply to the Court for an award of attorneys' fees for all Plaintiffs' Counsel in an amount not to exceed 33.33% of the Settlement Fund. In addition, Lead Counsel will apply for payment of expenses paid or incurred by Plaintiffs' Counsel in connection with the institution, prosecution, and resolution of the Action in an amount not to exceed \$140,000, and Lead Plaintiffs will apply for payment of the reasonable costs and expenses they incurred directly related to their representation of the Class, pursuant to the Private Securities Litigation Reform Act of 1995 (the "PSLRA"), in an amount not to exceed a total of \$5,000. Any fees and expenses that the Court awards to Plaintiffs' Counsel and Lead Plaintiffs will be paid from the Settlement Fund. Class Members are not personally liable for any such fees or expenses. The estimated average cost for such fees and expenses, if the Court approves Lead Counsel's fee and expense application and Lead Plaintiffs' application for a PSLRA Award, is approximately \$0.03 per affected share.

6. **Identification of Attorneys' Representatives:** Lead Plaintiffs and the Class are represented by Jeffrey P. Campisi of Kaplan Fox & Kilsheimer LLP, 850 Third Avenue, 14th Floor, New York, New York 10022, (212) 687-1980, jcampisi@kaplanfox.com, and by Michael J. Wernke, Pomerantz LLP, 600 Third Avenue, 20th Floor, New York, New York 10016, (212) 661-1100, mjwernke@pomlaw.com.

7. **Reasons for the Settlement:** Lead Plaintiffs' principal reasons for entering into the Settlement include the complete dismissal of their claims, the risks of not obtaining a reversal of that dismissal on appeal, and the substantial and certain recovery for the Class without the risk or the delays inherent in further litigation. Moreover, the substantial recovery provided under the Settlement must be considered against the significant risk that a smaller recovery—or indeed no recovery at all—might be achieved after contested motions, a trial of the Action, and the likely appeals that would follow a trial. This process could be expected to last several years. Defendants, who deny all allegations of wrongdoing, are entering into the Settlement solely to eliminate the uncertainty, burden, and expense of further protracted litigation.

³ Plaintiffs' Counsel include Court-appointed Lead Counsel, Kaplan Fox & Kilsheimer LLP and Pomerantz LLP ("Lead Counsel"), local counsel for Lead Plaintiffs and the Class, Bond Schoeneck & King, PLLC, and Bronstein Gewirtz & Grossman LLC, additional counsel for Peter Szabo.

YOUR LEGAL RIGHTS AND OPTIONS IN THE SETTLEMENT:

SUBMIT A CLAIM FORM POSTMARKED NO LATER THAN AUGUST 17, 2021.	This is the only way to be eligible to receive a payment from the Settlement Fund. If you are a Class Member and you remain in the Class, you will be bound by the Settlement as approved by the Court, and you will give up any Released Class Claims (defined in ¶ 33 below) that you have against Defendants and the other Releasees (defined in ¶ 34 below), so it is in your interest to submit a Claim Form.
EXCLUDE YOURSELF FROM THE CLASS BY SUBMITTING A WRITTEN REQUEST FOR EXCLUSION THAT IS RECEIVED NO LATER THAN JULY 21, 2021.	If you exclude yourself from the Class, you will not be eligible to receive any payment from the Settlement Fund. This is the only option that allows you ever to be part of any other lawsuit against any of the Defendants or the other Releasees concerning the Released Class Claims.
OBJECT TO THE SETTLEMENT BY SUBMITTING A WRITTEN OBJECTION THAT IS RECEIVED NO LATER THAN JULY 21, 2021.	If you do not like the proposed Settlement, the proposed Plan of Allocation, the request for attorneys' fees and expenses, or the proposed award to Lead Plaintiff, you may write to the Court and explain why you do not like them. You cannot object to any of those matters unless you are a Class Member and do not exclude yourself from the Class.
GO TO A HEARING ON AUGUST 18, 2021, AT 11:00 A.M., AND FILE A NOTICE OF INTENTION TO APPEAR THAT IS RECEIVED NO LATER THAN JULY 21, 2021.	Filing a written objection and notice of intention to appear by July 21, 2021, allows you to speak in Court, at the discretion of the Court, about the fairness of the proposed Settlement, the Plan of Allocation, and/or the request for attorneys' fees and expenses or the award to Lead Plaintiffs. If you submit a written objection, you may (but you do not have to) attend the hearing and, at the discretion of the Court, speak to the Court about your objection. The Court may change the date of the Fairness Hearing and may also order the Hearing to be held by telephone or videoconference, in which case instructions about date, time, and how to participate will be posted on www.YRCSecuritiesSettlement.com .
DO NOTHING.	If you are a member of the Class and you do not submit a valid Claim Form, you will not be eligible to receive any payment from the Settlement Fund. You will, however, remain a member of the Class, which means that you give up your right to sue about the claims that are resolved by the Settlement, and you will be bound by any judgments or orders entered by the Court in the Action.

WHY DID I GET THIS NOTICE?

8. The Court directed that this Notice be made available to you because you or someone in your family or an investment account for which you serve as a custodian may have purchased or otherwise acquired YRC Securities during the Class Period. You therefore might be a Class Member in this Action, so you have a right to know about your options before the Court rules on the proposed Settlement. Additionally, you have the right to understand how this class action may generally affect your legal rights. If the Court approves the Settlement and the Plan of Allocation, the Claims Administrator selected by Lead Plaintiffs and approved by the Court will make payments pursuant to the Settlement after any objections and appeals are resolved.

9. The purpose of this Notice is to inform you of the existence of this case, that it is a class action, how you might be affected, and how to exclude yourself from the Class if you wish to do so. It is also designed to inform you of the terms of the proposed Settlement, of your right to object to it, and of a hearing to be held by the Court to consider the fairness, reasonableness, and adequacy of the Settlement, the proposed Plan of Allocation, Lead Counsel's motion for attorneys' fees and litigation expenses, and Lead Plaintiffs' application for an award of costs (the "Fairness Hearing"). See ¶¶ 75-76 below for details about the Fairness Hearing.

10. The issuance of this Notice is not an expression of any opinion by the Court concerning the merits of any claim in the Action, and the Court still has to decide whether to approve the Settlement. If the Court approves the Settlement and a Plan of Allocation, then payments to Authorized Claimants will be made after any appeals are resolved and after the completion of all claims processing. Please be patient, as this process can take some time to complete.

WHAT IS THIS CASE ABOUT?

11. YRC is a shipping company. Its common stock traded on the NASDAQ under the symbol "YRCW" during the Class Period. Lead Plaintiffs allege that Defendants made false and misleading statements and material omissions about YRC's business and financial condition during the Class Period, but did not disclose that YRC purportedly had been overcharging customers and was being investigated by the U.S. Department of Justice. Lead Plaintiffs allege that those misstatements or omissions inflated the price of YRC Securities during the Class Period and that the price declined when the Department of Justice announced that it had sued YRC because of the purported overcharges. Defendants have denied those allegations.

12. On January 2, 2019, Christina Lewis filed a class-action complaint in the United States District Court for the Northern District of New York (the "Court"), asserting federal securities claims against YRC and certain of its present or former executive officers.

13. By Order dated April 25, 2019, the Court appointed City of Warwick Retirement Fund and Peter Szabo as Lead Plaintiffs for the Action and approved Lead Plaintiffs' selection of Kaplan Fox & Kilsheimer LLP and Pomerantz LLP as Lead Counsel.

14. On June 19, 2019, Lead Plaintiffs filed and served their Amended Class Action Complaint ("Complaint"). The Complaint asserted claims against YRC and four of its present or former officers (James L. Welch, YRC's former Chief Executive Officer; Jamie G. Pierson, YRC's former Chief Financial Officer; Stephanie D. Fisher, YRC's then-Chief Financial Officer; and Darren D. Hawkins, YRC's Chief Executive Officer) under Section 10(b) of the Securities Exchange Act of 1934 (the "Exchange Act") and Rule 10b-5 promulgated thereunder, and against the individual defendants under Section 20(a) of the Exchange Act. The Complaint alleged that Defendants had made materially false and misleading statements during the Class Period about YRC's business, operations, financial results, and compliance with generally accepted accounting principles. The Complaint further contended that Defendants had failed to disclose that YRC's alleged overcharging of customers was inflating the Company's financial results and that the Company was being investigated by the Department of Justice. In addition, the Complaint alleged that the price of YRC Securities was artificially inflated during the Class Period as a result of Defendants' allegedly false and misleading statements and omissions, and declined when the "truth" was revealed upon the announcement of the Department of Justice's suit in December 2018.

15. Defendants moved to dismiss the Complaint, and the Court granted the motion in its entirety on March 27, 2020. The Court held that Defendants had not made any false or misleading statements and, in any event, had not acted with the wrongful state of mind required under the federal securities laws.

16. On April 27, 2020, Lead Plaintiffs appealed the dismissal of their case. The Parties then fully briefed the appeal in the United States Court of Appeals for the Second Circuit.

17. While the appeal was pending, the Parties discussed the possibility of resolving the appeal through settlement and agreed to mediation before the Hon. Daniel Weinstein (Ret.) and Jed D. Melnick, Esq. of JAMS (the "Mediators"). The parties then held two full-day mediation sessions with the Mediators on February 1 and 2, 2021. During the mediation sessions, the Parties engaged in vigorous settlement negotiations with the assistance of the Mediators, and, at the conclusion of the second day, the Settling Parties reached an agreement in principle to settle the Action for \$2,100,000, based on a recommendation by the Mediators. That same day, the Settling Parties executed a Term Sheet setting forth their agreement in principle to settle and release all claims asserted in the Action in return for a cash payment by or on behalf of Defendants of \$2,100,000 for the benefit of the Class, subject to certain terms and conditions (including the completion of Due-Diligence Discovery by Lead Plaintiffs), the execution of a stipulation and agreement of settlement and related papers, and approval by the Court. At the Parties' request, the Second Circuit then stayed the pending appeal and remanded the case to the Court so it could consider the proposed Settlement.

18. On April 12, 2021, the Parties entered into the Settlement Agreement, which contains the complete terms and conditions of the Settlement. The Settlement Agreement is available at www.YRCSecuritiesSettlement.com. You should read it if you want a full understanding of its terms.

19. The Settlement Agreement is subject to the completion of Due-Diligence Discovery to confirm the fairness of the Settlement. Pursuant to the Settlement Agreement, Lead Plaintiffs have the right to withdraw from and terminate the Settlement at any time before filing their motion in support of final approval of the Settlement if information produced during Due-Diligence Discovery causes Lead Plaintiffs and Lead Counsel reasonably and in good faith to conclude that the proposed Settlement is not fair, reasonable, and adequate.

20. On April 19, 2021, the Court preliminarily approved the Settlement, authorized notice of the Settlement to be disseminated to potential Class Members, and scheduled the Fairness Hearing to consider whether to grant final approval of the Settlement.

**HOW DO I KNOW IF I AM AFFECTED BY THE SETTLEMENT?
WHO IS INCLUDED IN THE CLASS?**

21. If you are a member of the Class, you are subject to the Settlement unless you timely request to be excluded. The Class consists of:

all persons and entities who purchased or otherwise acquired YRC Securities during the period from March 10, 2014, through December 14, 2018, inclusive (the "Class Period"), and who were damaged thereby.

Excluded from the Class are:

- a. such persons or entities who submit valid and timely requests for exclusion from the Class (For information on how to submit a request for exclusion, see “What If I Do Not Want To Be A Member Of The Class? How Do I Exclude Myself?” on page 12 below.);
- b. such persons or entities who, while represented by counsel, settled an actual or threatened lawsuit or other proceeding against one or more of the Releasees (defined below in ¶ 34) arising out of or related to the Released Class Claims (defined below in ¶ 33); and
- c. YRC and (i) all officers and directors of YRC during the Class Period (including James L. Welch, Jamie G. Pierson, Stephanie D. Fisher, and Darren D. Hawkins), (ii) YRC’s Affiliates, subsidiaries, successors, and predecessors, (iii) any entity in which YRC or any individual identified in subpart (i) has or had during the Class Period a Controlling Interest, and (iv) for the individuals identified in subpart(s) (i), (ii), and/or (iii), their Family Members, legal representatives, heirs, successors, and assigns.

PLEASE NOTE: Receipt of this Notice does not mean that you are a Class Member or that you will be entitled to a payment from the Settlement.

If you are a Class Member and you wish to be eligible to receive a payment from the Settlement, you must submit the Claim Form that is available with this Notice, as well as the required supporting documentation described in the Claim Form, postmarked no later than August 17, 2021.

WHAT ARE LEAD PLAINTIFFS’ REASONS FOR THE SETTLEMENT?

22. Lead Plaintiffs and Lead Counsel believe that the claims asserted against Defendants have merit. They recognize, however, the difficulties of obtaining a reversal of their case on appeal, as well as the expense and length of continued proceedings necessary to pursue their claims through trial and appeals even if they prevail on the current appeal, as well as the very substantial risks they would face in establishing liability and damages.

23. First, Lead Plaintiffs would have faced substantial risks from the pending appeal. The Court had completely dismissed all of Lead Plaintiffs’ claims, and Lead Plaintiffs would have faced significant hurdles in trying to obtain a reversal on appeal.

24. Second, even if Lead Plaintiffs were to have prevailed on appeal, they still would have faced substantial challenges in developing facts to survive summary judgment or establish Defendants’ liability at trial. Lead Plaintiffs would have faced challenges showing that Defendants’ statements about YRC’s business and financial results were materially false and misleading. Defendants likely would have contended that each of these statements was factually true and therefore non-actionable, and that at least some of them were mere corporate optimism or “puffery” and therefore non-actionable. Lead Plaintiffs would also have faced challenges in proving that Defendants made the alleged misstatements with the intent to mislead investors or were reckless in making those statements. Even if Lead Plaintiffs could have established their allegations about YRC’s overcharging its customers, they would have needed to prove that the Defendants who made statements about the company’s financial position and business operations knew, or were reckless in not knowing, that those statements were false or misleading because of the underlying overcharge allegations.

25. In light of these risks, the amount of the Settlement, and the immediacy of recovery to the Class, and subject to the satisfactory completion of Due-Diligence Discovery, Lead Plaintiffs and Lead Counsel believe that the proposed Settlement is fair, reasonable, and adequate, and in the best interests of the Class. Lead Plaintiffs and Lead Counsel believe that the Settlement provides a substantial benefit to the Class, namely \$2,100,000 in cash (plus interest, and less the various deductions described in this Notice), as compared to the risk that the claims in the Action would produce a smaller recovery, or no recovery, after the pending appeal or after summary judgment, trial, and other appeals, possibly years in the future.

26. Defendants have denied the claims asserted against them in the Action and deny that the Class was harmed or suffered any damages as a result of the conduct alleged in the Action. Defendants also believe that they would prevail on the pending appeal if this case were not settled. Defendants have agreed to the Settlement solely to eliminate the burden and expense of continued litigation. Accordingly, the Settlement may not be construed as an admission of any wrongdoing by Defendants.

WHAT MIGHT HAPPEN IF THERE WERE NO SETTLEMENT?

27. If there were no Settlement and Lead Plaintiffs failed to win on appeal or to establish any essential legal or factual element of their claims against Defendants, neither Lead Plaintiffs nor the other members of the Class would recover anything from Defendants. Also, if Defendants were successful on the appeal, or in proving any of their defenses at summary judgment, at trial, or on later appeals, the Class could recover substantially less than the amount provided in the Settlement, or nothing at all.

HOW ARE CLASS MEMBERS AFFECTED BY THE ACTION AND THE SETTLEMENT?

28. As a Class Member, you are represented by Lead Plaintiffs and Lead Counsel, unless you enter an appearance through counsel of your own choice at your own expense. You are not required to retain your own counsel, but, if you choose to do so, such counsel must file a notice of appearance on your behalf and must serve copies of his or her appearance on the attorneys listed in the section entitled “When And Where Will The Court Decide Whether To Approve The Settlement?” below.

29. If you are a Class Member and do not wish to remain a Class Member, you may exclude yourself from the Class by following the instructions in the section entitled “What If I Do Not Want To Be A Member Of The Class? How Do I Exclude Myself?” below.

30. If you are a Class Member and you wish to object to the Settlement, the Plan of Allocation, Lead Counsel’s application for attorneys’ fees and expenses, or Lead Plaintiffs’ PSLRA Award, and if you do not exclude yourself from the Class, you may present your objections by following the instructions in the section entitled “When And Where Will The Court Decide Whether To Approve The Settlement?” below.

31. If you are a Class Member and you do not exclude yourself from the Class, you will be bound by any orders issued by the Court even if you have pending or later file any claim or lawsuit against the Releasees (as defined in ¶ 34 below) relating to the Released Class Claims (as defined in ¶ 33 below). If the Settlement is approved, the Court will enter a judgment (the “Judgment”) and a final approval order (the “Approval Order”). The Judgment and Approval Order will dismiss with prejudice the claims against Defendants and will provide that, upon the Final Settlement Date, Lead Plaintiffs and each of the other Class Members, on behalf of themselves and their respective heirs, executors, administrators, predecessors, successors, and assigns, in their capacities as such (“Releasors”), or any person purporting to assert a Released Class Claim on behalf of, for the benefit of, or derivatively for any such Releasors, for good and sufficient consideration, the receipt and adequacy of which are hereby acknowledged, shall be deemed to have, and by operation of law and of the Approval Order and Judgment shall have, fully, finally, and forever released, relinquished, settled, and discharged:

- a. all Released Class Claims (as defined in ¶ 33 below) against each and every one of the Releasees (as defined in ¶ 34 below);
- b. all Claims, damages, and liabilities as to each and every one of the Releasees to the extent that any such Claims, damages, or liabilities relate in any way to any or all acts, omissions, nondisclosures, facts, matters, transactions, occurrences, or oral or written statements or representations in connection with, or directly or indirectly relating to, (i) the prosecution, defense, or settlement of the Action, (ii) the Settlement Agreement or its implementation, (iii) the Settlement terms and their implementation, (iv) the provision of notice in connection with the proposed Settlement, and/or (v) the resolution of any Claim Forms submitted in connection with the Settlement; and
- c. all Claims against any of the Releasees for attorneys’ fees, costs, or disbursements incurred by Plaintiffs’ Counsel or any other counsel representing Lead Plaintiffs or any other Class Member in connection with or related in any manner to the Action, the settlement of the Action, or the administration of the Action and/or its Settlement, except to the extent otherwise specified in the Settlement Agreement.

32. In addition, the Judgment and Approval Order will provide that:

- a. all Class Members (and their attorneys, accountants, agents, heirs, executors, administrators, trustees, predecessors, successors, Affiliates, representatives, and assigns) who have not validly and timely requested exclusion from the Class – and anyone else purporting to act on behalf of, for the benefit of, or derivatively for

any of such persons or entities – are permanently enjoined from filing, commencing, prosecuting, intervening in, participating in (as class members or otherwise), or receiving any benefit or other relief from any other lawsuit, arbitration, or administrative, regulatory, or other proceeding (as well as a motion or complaint in intervention in the Action if the person or entity filing such motion or complaint in intervention purports to be acting as, on behalf of, for the benefit of, or derivatively for any of the above persons or entities) or order, in any jurisdiction or forum, as to the Releasees based on or relating to the Released Class Claims; and

- b. all persons and entities are permanently enjoined from filing, commencing, or prosecuting any other lawsuit as a class action (including by seeking to amend a pending complaint to include class allegations or by seeking class certification in a pending action in any jurisdiction) or other proceeding on behalf of any Class Members as to the Releasees, if such other lawsuit is based on or related to the Released Class Claims.

33. “Released Class Claims” means each and every Claim that (i) arises from or relates to the Action (including all Claims alleged in the Complaint) and is asserted against the Releasees or (ii) could have been or could be asserted against any of the Releasees in connection with or relating directly or indirectly to any of the Operative Facts or any alleged statements about, mischaracterizations of, or omissions concerning them, whether arising under any federal, state, or other statutory or common-law rule or under any foreign law, in any court, tribunal, agency, or other forum, and such Claim arises out of or relates to the purchase or other acquisition of YRC Securities, or to any other Investment Decision, during the Class Period; *provided, however*, that the term “Released Class Claims” does not include (and will not release or impair) (i) any shareholder derivative action, including without limitation the claims asserted in *Bhandari v. Carty*, No. 2021-0090 (Del. Ch.), or (ii) any claims to enforce this Settlement Agreement..

34. “Releasees” means YRC, its affiliates, and their current and former officers (including Messrs. Welch, Pierson, and Hawkins and Ms. Fisher), directors, employees, agents, representatives, counsel, advisors, administrators, accountants, accounting advisors, auditors, consultants, assigns, assignees, beneficiaries, representatives, partners, successors-in-interest, insurance carriers, reinsurers, parents, affiliates, subsidiaries, successors, predecessors, fiduciaries, service providers, and investment bankers, and other certain persons and entities affiliated with or related to them. The full definition of Releasees is set forth in the Settlement Agreement, available at www.YRCSecuritiesSettlement.com.

35. The Judgment and Approval Order will also provide that, upon the Final Settlement Date, all Releasees, and anyone purporting to act on behalf of, for the benefit of, or derivatively for any such persons or entities, are permanently enjoined from commencing, prosecuting, intervening in, or participating in any claims or causes of action relating to Released Releasees’ Claims.

36. “Released Releasees Claims” means each and every Claim that has been, could have been, or could be asserted in the Action or in any other proceeding by any Releasee, including Defendants and their successors and assigns, or his, her, or its respective estates, heirs, executors, agents, attorneys (including in-house counsel, outside counsel, and Defendants’ Counsel), beneficiaries, accountants, professional advisors, trusts, trustees, administrators, and assigns, against Lead Plaintiffs, any other Class Members, or any of their respective attorneys (including, without limitation, Plaintiffs’ Counsel), including their successors and assigns, or his, her, its, or their respective estates, heirs, executors, agents, attorneys (including in-house counsel and outside counsel), beneficiaries, accountants, professional advisors, trusts, trustees, administrators, and assigns, and that arises out of or relates in any way to the initiation, prosecution, or settlement of the Action or the implementation of this Settlement Agreement; *provided, however*, that Released Releasees’ Claim shall not include any Claim to enforce the Settlement Agreement.

HOW DO I PARTICIPATE IN THE SETTLEMENT? WHAT DO I NEED TO DO?

37. To be eligible for a payment from the Settlement, you must be a member of the Class and you must timely complete and return the Claim Form with adequate supporting documentation **postmarked no later than August 17, 2021**. A Claim Form is included with this Notice, or you may obtain one from the website maintained by the Claims Administrator for the Settlement, www.YRCSecuritiesSettlement.com. You may also request that a Claim Form be mailed to you by calling the Claims Administrator toll-free at (877) 265-3022 or by emailing the Claims Administrator at info@YRCSecuritiesSettlement.com. Please retain all records of your ownership of and transactions in YRC Securities, as they will be needed to document your Claim. The Parties and Claims Administrator do not have information about your transactions in YRC Securities.

38. If you request exclusion from the Class or do not submit a timely and valid Claim Form, you will not be eligible to share in the Net Settlement Amount.

HOW MUCH WILL MY PAYMENT BE?

39. At this time, it is not possible to make any determination as to how much any individual Class Member may receive from the Settlement.

40. Pursuant to the Settlement, Defendants have agreed to pay or cause to be paid a total of \$2,100,000 in cash (the "Settlement Amount"). The Settlement Amount will be deposited into an escrow account. The Settlement Amount plus any interest earned thereon is referred to as the "Settlement Fund." If the Settlement is approved by the Court, and if the Final Settlement Date occurs, the "Net Settlement Amount" (that is, the Settlement Fund less (i) any Tax Expenses; (ii) any Notice and Administration Expenses; and (iii) any attorneys' fees and expenses awarded to Plaintiffs' Counsel or Lead Plaintiffs by the Court) will be distributed to Class Members who submit valid Claim Forms, in accordance with the proposed Plan of Allocation or such other Plan of Allocation as the Court may approve.

41. The Net Settlement Amount will not be distributed unless and until the Court has approved the Settlement and a Plan of Allocation, and the time for any petition for rehearing, appeal, or review, whether by certiorari or otherwise, has expired.

42. Neither Defendants nor any other person or entity that paid any portion of the Settlement Amount on their behalf are entitled to get back any portion of the Settlement Fund once the Court's order or judgment approving the Settlement becomes Final. Defendants shall not have any liability, obligation, or responsibility for the administration of the Settlement, the disbursement of the Net Settlement Amount, or the Plan of Allocation.

43. Approval of the Settlement is independent from approval of a Plan of Allocation. Any determination about a Plan of Allocation will not affect the Settlement, if approved.

44. Unless the Court otherwise orders, any Class Member who fails to submit a Claim Form postmarked on or before August 17, 2021, shall be fully and forever barred from receiving payments pursuant to the Settlement, but will in all other respects remain a member of the Class and be subject to the provisions of the Settlement Agreement, including the terms of any Judgment entered and the releases given. This means that each Class Member releases the Released Class Claims (as defined in ¶ 33 above) against the Releasees (as defined in ¶ 34 above) and will be barred and enjoined from prosecuting any of the Released Class Claims against any of the Releasees whether or not such Class Member submits a Claim Form.

45. The Court has reserved jurisdiction to allow, disallow, or adjust on equitable grounds the Claim of any Class Member.

46. Each Claimant shall be deemed to have submitted to the jurisdiction of the Court with respect to his, her, or its Claim Form.

47. Only members of the Class will be eligible to share in the distribution of the Net Settlement Amount. Persons and entities that are excluded from the Class by definition or that request exclusion from the Class will not be eligible for a payment and should not submit Claim Forms. The only securities that are included in the Settlement are YRC Securities.

PROPOSED PLAN OF ALLOCATION

48. The objective of the Plan of Allocation is to equitably distribute the Net Settlement Amount to those Class Members who suffered economic losses as a result of the alleged violations of the federal securities laws. The calculations made pursuant to the Plan of Allocation are not intended to be estimates of, or indicative of, the amounts that Class Members might have been able to recover after a trial. Nor are the calculations pursuant to the Plan of Allocation intended to be estimates of the amounts that will be paid to Authorized Claimants pursuant to the Settlement. The computations under the Plan of Allocation are only a method to weigh the claims of Claimants against one another for the purposes of making *pro rata* allocations of the Net Settlement Amount.

49. For losses to be compensable damages under the federal securities laws, the disclosure of the allegedly misrepresented information must have been the cause of the decline in the price of the YRC Securities. In this case, Lead Plaintiffs allege that Defendants made false statements and omitted material facts during the period from March 10, 2014, through December 14, 2018, inclusive, which had the effect of artificially inflating the price of YRC Securities. Lead Plaintiffs further allege that corrective information was released to the market on December 14, 2018, and that the newly disclosed information removed the artificial inflation from the price of YRC Securities on that date.

50. In developing the Plan of Allocation, Lead Plaintiffs' damages expert calculated the estimated amount of artificial inflation in the price of YRC Securities allegedly caused by Defendants' allegedly false and misleading statements and

material omissions. In calculating the estimated artificial inflation allegedly caused by Defendants' alleged misrepresentations and omissions, Lead Plaintiffs' damages expert considered price changes in the stock in reaction to the public disclosures allegedly revealing the truth concerning Defendants' alleged misrepresentations and material omissions, adjusting for price changes on that day that were attributable to market or industry forces.

51. Recognized Loss Amounts for transactions in YRC Securities are calculated under the Plan of Allocation based primarily on the difference between the amount of alleged artificial inflation in the price of YRC Securities at the time of purchase and the time of sale or the difference between the actual purchase price and sale price. In order to have a Recognized Loss Amount, a Class Member who purchased YRC Securities during the Class Period must have held his, her, or its shares through at least 10:42 a.m. EST on December 14, 2018.⁴

CALCULATION OF RECOGNIZED LOSS AMOUNTS

52. Based on the formula stated below, a "Recognized Loss Amount" will be calculated for each purchase of YRC Securities during the Class Period that is listed on the Claim Form and for which adequate documentation is provided. If a Recognized Loss Amount calculates to a negative number or zero under the formula below, the Recognized Loss Amount for that transaction will be zero.

53. For each share of YRC Securities purchased during the period from March 10, 2014, through December 14, 2018, inclusive, and

- a) sold before December 14, 2018, at 10:42 a.m. EST, the Recognized Loss Amount is zero;
- b) sold on or after December 14, 2018, at 10:42 a.m. EST⁵ through the close of trading on March 13, 2019, the Recognized Loss Amount is ***the least of:*** (i) \$1.21; (ii) the purchase price per share *less* the sales price per share; or (iii) the purchase price per share *less* the average closing price per share applicable to the date of sale as found in Table A at the end of this Notice; or
- c) held at the close of trading on March 13, 2019, the Recognized Loss Amount is ***the lesser of:*** (i) \$1.21 per share; or (ii) the purchase price per share *less* \$5.77.⁶

54. For each share of YRC Securities purchased after December 14, 2018, at 10:42 a.m. EST, the Recognized Loss Amount is zero.

ADDITIONAL PROVISIONS

55. The Net Settlement Amount will be allocated among all Authorized Claimants whose Distribution Amount (defined in ¶ 64 below) is \$20.00 or greater.

56. **Calculation of Claimant's "Recognized Claim":** A Claimant's "Recognized Claim" will be the sum of his, her, or its Recognized Loss Amounts as calculated above for all purchases of YRC Securities during the Class Period.

57. **FIFO Matching:** If a Class Member made more than one purchase/acquisition or sale of YRC Securities during the Class Period, all purchases/acquisitions and sales will be matched on a First In, First Out ("FIFO") basis. Class Period sales will be matched first against any holdings of YRC Securities at the beginning of the Class Period, and then against purchases/acquisitions in chronological order, beginning with the earliest purchase/acquisition made during the Class Period.

⁴ The alleged corrective disclosure revealing the allegedly misrepresented information was disseminated at 10:42 a.m. EST on December 14, 2018.

⁵ Trades on December 14, 2018, at a price at or above \$4.28 will be considered to have occurred before 10:42 am EST, while trades below \$4.28 will be considered to have occurred after 10:42 am EST.

⁶ Pursuant to Section 21(D)(e)(1) of the Exchange Act, "in any private action arising under this title in which the plaintiff seeks to establish damages by reference to the market price of a security, the award of damages to the plaintiff shall not exceed the difference between the purchase or sale price paid or received, as appropriate, by the plaintiff for the subject security and the mean trading price of that security during the 90-day period beginning on the date on which the information correcting the misstatement or omission that is the basis for the action is disseminated to the market." The average (mean) closing price of YRC Securities during the 90-day look-back period from December 14, 2018, through March 13, 2019, inclusive, was \$5.77.

58. **“Purchase/Sale” Dates:** Purchases and sales of YRC Securities will be deemed to have occurred on the “contract” or “trade” date as opposed to the “settlement” or “payment” date. “Purchases” eligible under the Settlement and this Plan of Allocation include all purchases or other acquisitions of YRC Securities in exchange for value and are not limited to purchases made on or through a stock exchange, as long as the purchase is adequately documented. However, the receipt or grant by gift, inheritance, or operation of law of YRC Securities during the Class Period shall not be deemed a purchase or sale for the calculation of a Claimant’s Recognized Loss Amount; nor shall the receipt or grant be deemed an assignment of any claim relating to the purchase/sale of the stock unless (i) the donor or decedent purchased the YRC Securities during the Class Period; (ii) the instrument of gift or assignment specifically provides that it is intended to transfer such rights; and (iii) no Claim was submitted by or on behalf of the donor, the decedent, or anyone else as to those shares.

59. **Short Sales:** The date of covering a “short sale” is deemed to be the date of purchase of the YRC Securities. The date of a “short sale” is deemed to be the date of sale of the YRC Securities. In accordance with the Plan of Allocation, however, the Recognized Loss Amount on “short sales” and the purchases covering “short sales” is zero.

60. If a Claimant has an opening short position in YRC Securities, the earliest purchases or acquisitions of YRC Securities during the Class Period will be matched against such opening short position, and will not be entitled to a recovery, until that short position is fully covered.

61. **Shares Purchased/Sold Through the Exercise of Options:** Option contracts are not securities eligible to participate in the Settlement. For shares of YRC Securities purchased or sold through the exercise of an option, the purchase/sale date of the YRC Securities is the exercise date of the option, and the purchase/sale price is the closing price of YRC Securities on the date of exercise.

62. **Market Gains and Losses:** The Claims Administrator will determine whether the Claimant had a “Market Gain” or a “Market Loss” on his, her, or its overall transactions in YRC Securities during the Class Period. For purposes of making this calculation, the Claims Administrator shall determine the difference between (i) the Claimant’s Total Purchase Amount⁷ and (ii) the sum of the Claimant’s Total Sales Proceeds⁸ and the Claimant’s Holding Value.⁹ If the Claimant’s Total Purchase Amount *minus* the sum of the Claimant’s Total Sales Proceeds and the Holding Value is a positive number, that number will be the Claimant’s Market Loss; if the number is a negative number or zero, that number will be the Claimant’s Market Gain.

63. If a Claimant had a Market Gain from his, her, or its overall transactions in YRC Securities, the value of the Claimant’s Recognized Claim will be zero, and the Claimant will not be eligible to receive a payment in the Settlement, but will nonetheless be bound by the Settlement. If a Claimant suffered an overall Market Loss from his, her, or its overall transactions in YRC Securities but that Market Loss was less than the Claimant’s Recognized Claim, then the Claimant’s Recognized Claim will be limited to the amount of the Market Loss.

64. **Determination of Distribution Amount:** The Net Settlement Amount will be distributed to Authorized Claimants on a *pro rata* basis based on the relative size of their Recognized Claims. A “Distribution Amount” will be calculated for each Authorized Claimant. That Distribution Amount shall be the Authorized Claimant’s Recognized Claim divided by the total Recognized Claims of all Authorized Claimants, multiplied by the total amount in the Net Settlement Amount.

65. If an Authorized Claimant’s Distribution Amount calculates to less than \$20.00, it will not be included in the calculation and no distribution will be made to that Authorized Claimant.

66. After the initial distribution of the Net Settlement Amount, the Claims Administrator will make reasonable and diligent efforts to have Authorized Claimants cash their distribution checks. To the extent any monies remain after the

⁷ The “Total Purchase Amount” is the total amount the Claimant paid (excluding all fees, taxes, and commissions) for all YRC Securities purchased or acquired during the Class Period.

⁸ The Claims Administrator shall match any sales of YRC Securities during the Class Period first against the Claimant’s opening position in YRC Securities (the proceeds of those sales will not be considered for purposes of calculating market gains or losses). The total amount received (not deducting any fees, taxes, and commissions) for sales of the remaining YRC Securities sold during the Class Period is the “Total Sales Proceeds.”

⁹ The Claims Administrator shall ascribe a “Holding Value” of \$5.77 per share of YRC Securities purchased during the Class Period that was still held as of the close of trading on December 14, 2018.

initial distribution, and if Lead Counsel, in consultation with the Claims Administrator, determines that it is cost-effective to do so, the Claims Administrator, no less than seven (7) months after the initial distribution, will conduct a re-distribution of the funds remaining after payment of any unpaid fees and expenses incurred in administering the Settlement, including for such re-distribution, to Authorized Claimants who have cashed their initial distributions and who would receive at least \$20.00 from such re-distribution. Additional re-distributions to Authorized Claimants who have cashed their prior checks and who would receive at least \$20.00 on such additional re-distributions may occur thereafter if Lead Counsel, in consultation with the Claims Administrator, determines that additional re-distributions, after the deduction of any additional fees and expenses incurred in administering the Settlement, including for such re-distributions, would be cost-effective. At such time as it is determined that the re-distribution of funds remaining is not cost-effective, Lead Counsel will seek instructions from the Court.

67. Payment pursuant to the proposed Plan of Allocation, or such other Plan of Allocation as may be approved by the Court, will be conclusive against all Claimants. No person or entity shall have any claim against Lead Plaintiffs, Lead Counsel, the Claims Administrator, or any other agent designated by Lead Counsel, or Defendants' Releasees and/or their respective counsel, arising from distributions made substantially in accordance with the Settlement Agreement, the Plan of Allocation approved by the Court, or any order of the Court. Lead Plaintiffs and Defendants, their respective counsel, and all other Releasees shall have no liability whatsoever for the investment or distribution of the Settlement Fund or the Net Settlement Amount, any Plan of Allocation, or the determination, administration, calculation, or payment of any claim or nonperformance of the Claims Administrator, the payment or withholding of taxes (including interest and penalties) owed by the Settlement Fund, or any losses incurred in connection therewith.

68. The Plan of Allocation set forth herein is the plan that Lead Plaintiffs, after consultation with their damages expert, are proposing to the Court for approval. The Court may approve this plan as proposed, or it may modify the Plan of Allocation without further notice to the Class. Any Orders regarding any modification of the Plan of Allocation will be posted on the case website, www.YRCSecuritiesSettlement.com.

**WHAT PAYMENT ARE THE ATTORNEYS FOR THE CLASS SEEKING?
HOW WILL THE LAWYERS BE PAID?**

69. Plaintiffs' Counsel have not received any payment for their services in pursuing claims against Defendants on behalf of the Class; nor have Plaintiffs' Counsel been paid for their litigation expenses. Before final approval of the Settlement, Lead Counsel will apply to the Court for an award of attorneys' fees for all Plaintiffs' Counsel in an amount not to exceed 33.33% of the Settlement Fund. Lead Counsel have a retention agreement with Lead Plaintiffs that provides for a contingency fee to be awarded to Lead Counsel after notice to the class and approval by the Court. At the same time as they file a motion for attorneys' fees, Lead Counsel also intend to apply for payment of litigation expenses paid or incurred by Plaintiffs' Counsel in an amount not to exceed \$140,000, and for the reasonable costs and expenses incurred by Lead Plaintiffs directly related to their representation of the Class, pursuant to the PSLRA, in an amount not to exceed a total of \$5,000. The Court will determine the amount of any award of attorneys' fees and expenses to Plaintiffs' Counsel or any PSLRA Award to Lead Plaintiffs. Such sums as may be approved by the Court will be paid from the Settlement Fund. Class Members will not be personally liable for any such fees or expenses.

**WHAT IF I DO NOT WANT TO BE A MEMBER OF THE CLASS?
HOW DO I EXCLUDE MYSELF?**

70. Each Class Member will be bound by all determinations and judgments in this lawsuit, whether favorable or unfavorable, unless such person or entity mails or delivers a written Request for Exclusion from the Class, addressed to *YRC Worldwide Inc. Securities Litigation*, EXCLUSIONS, c/o A.B. Data, Ltd., P.O. Box 173001, Milwaukee, WI 53217. The Request for Exclusion must be **received no later than July 21, 2021**. You will not be able to exclude yourself from the Class after that date. A potential Class Member's Request for Exclusion must include the following information: (i) name, (ii) address, (iii) telephone number, (iv) email address, if available, (v) a statement that the potential Class Member wishes to request exclusion from the Class in *Lewis v. YRC Worldwide Inc.*, No. 1:19-cv-00001-GTS-ATB (N.D.N.Y.), (vi) the number of shares of YRC Securities held as of opening of trading on March 10, 2014, and purchased or otherwise acquired and/or sold during the Class Period, (vii) price(s) paid or value at receipt, and, if sold, the sales price(s), (viii) the date of each such transaction involving each such security, and (ix) the signature of the person or entity requesting exclusion or of an authorized representative. A Request for Exclusion shall not be valid and effective unless it provides

all the information called for in this paragraph and is received within the time stated above, or is otherwise accepted by the Court.

71. If you do not want to be part of the Class, you must follow these instructions for exclusion even if you have pending, or later file, another lawsuit, arbitration, or other proceeding relating to any Released Class Claim against any of the Releasees.

72. If you ask to be excluded from the Class, you will not be eligible to receive any payment out of the Net Settlement Amount.

73. Defendants have the right to terminate the Settlement if valid requests for exclusion are received from persons and entities entitled to be members of the Class in an amount that exceeds an amount agreed to by Lead Plaintiffs and Defendants.

**WHEN AND WHERE WILL THE COURT DECIDE WHETHER TO APPROVE THE SETTLEMENT?
DO I HAVE TO PARTICIPATE IN THE HEARING?
MAY I SPEAK AT THE HEARING IF I DON'T LIKE THE SETTLEMENT?**

74. **Class Members do not need to participate in the Fairness Hearing. The Court will consider any submission made in accordance with the provisions below even if a Class Member does not speak at or otherwise observe the hearing. You can participate in the Settlement without attending the Fairness Hearing.**

75. **Please Note:** The date and time of the Fairness Hearing may change without further written notice to the Class. In addition, the recent outbreak of the Coronavirus (COVID-19) is a fluid situation that creates the possibility that the Court may decide to conduct the Fairness Hearing by telephonic or video conference, or otherwise allow both counsel for the Parties and Class Members to appear at the hearing by phone or video, without further written notice to the Class. **To determine whether the date and time of the Fairness Hearing have changed, or whether Class Members must or may participate by phone or video, you should monitor the Court's docket and the Settlement website, www.YRCSecuritiesSettlement.com, before making any plans to attend the Fairness Hearing in person. Any updates regarding the Fairness Hearing, including any changes to the date or time of the hearing or updates regarding in-person, telephonic, or video appearances at the hearing, will be posted to the Settlement website, www.YRCSecuritiesSettlement.com. Also, if the Court requires or allows Class Members to participate in the Fairness Hearing by telephone or video, the information for accessing the conference will be posted to the website.**

76. The Fairness Hearing will be held on **August 18, 2021, at 11:00 a.m.**, before Chief Judge Glenn T. Suddaby, at the United States District Court for the Northern District of New York, 100 S. Clinton Street, Syracuse, NY 13261 via video through Microsoft Teams to determine, among other things, (i) whether the proposed Settlement on the terms and conditions provided for in the Settlement Agreement is fair, reasonable, and adequate to the Class and should be finally approved by the Court; (ii) whether, for purposes of the Settlement only, the Action should be certified as a class action on behalf of the Class, Lead Plaintiffs should be certified as Class Representatives for the Class, and Lead Counsel should be appointed as Class Counsel for the Class; (iii) whether the Action should be dismissed with prejudice against Defendants and whether the Releases specified and described in the Settlement Agreement (and in this Notice) should be granted; (iv) whether the proposed Plan of Allocation should be approved as fair and reasonable; (v) whether Lead Counsel's motion for attorneys' fees and litigation expenses and Lead Plaintiffs' motion for costs and expenses should be approved; and (vi) any other matters that may properly be brought before the Court in connection with the Settlement. The Court reserves the right to certify the Class; approve the Settlement, the Plan of Allocation, and Lead Counsel's motion for attorneys' fees and litigation expenses; and/or consider any other matter related to the Settlement at or after the Fairness Hearing without further notice to the members of the Class.

77. Any Class Member who does not request exclusion may object to the Settlement, the proposed Plan of Allocation, Lead Counsel's motion for attorneys' fees and expenses, or Lead Plaintiffs' application for expenses. Objections must be in writing. You must file any written objection, together with copies of all other papers and briefs supporting the objection, with the Clerk's Office at the United States District Court for the Northern District of New York at the address set forth below **on or before July 21, 2021**.
